December 2007

The Point Leo Foreshore Committee of Management is a Volunteer Committee appointed by the Department of Sustainability and Environment through a selection process.

Funding for the management of the Reserve is entirely from fees collected.

The Committee is preparing a new **Management Plan** for the Point Leo Foreshore Reserve and we are seeking **Community Input** to determine **Direction** and **Action** priorities for the future of the Reserve.

What is your vision for the Point Leo Foreshore Reserve over the next 10 years?

What actions do you think are required to attain this vision.

What are the top 3 priorities in your vision.

Between 1 & 5 (1 most valued to 5 least valued)

how do you rate the management of the following and what are your suggestions for improvement

_____ Beach Access	_____
_____ Protection of the Environment	_____
_____ Camp Booking System	_____
_____ Toilet and shower facilities	_____
_____ Car Parking	_____
_____ Recycling	_____
_____ Other	_____

Would you be willing to pay extra to achieve improvements? Y / N

How long have you been coming to Point Leo? _____ years
How often? Weekly _____ monthly _____ yearly _____

What do you value most? Beaches and breaks _____
